

INTERNATIONAL CONFERENCE

Impacts of Globalization on Quality in Higher Education

Ho Chi Minh City, Vietnam
June 20-21, 2013

Purpose

SEAMEO RETRAC is devoting its next annual international conference to the topic of the impacts of globalization on quality in higher education. The conference will be held on June 20-21, 2013 at the SEAMEO RETRAC premises at 35 Le Thanh Ton in District 1 of Ho Chi Minh City. This year's conference is being co-sponsored by the Hong Kong America Center (HKAC).

This conference will explore collaborative strategies between universities across borders and their impacts on the quality of higher education. The conference will specifically focus on three broad areas in trans-national partnerships: leadership and management; building research capacity; and teaching and learning. The regional impact focus will be on Asia and Asian universities as a result of their collaborations with institutions from other parts of the world. More information is available at <http://www.vnseameo.org/InternationalConference2013/>.
