## Regional Educational Forum on “Enhancing the Satisfaction of Teachers at Basic Education in Southeast Asia: Best Practices and Innovative Solutions”

The regional educational Forum, namely “Enhancing the satisfaction of teachers at basic education in Southeast Asia: Best practices and innovative solutions”, was conducted by

SEAMEO RETRAC at its premises on September 27, 2018. The Forum is held back to back with the Center’s 21st Governing Board Meeting and served as a platform for the exchange and discussion of ideas and experiences in relation to the enhancement of teachers’ satisfaction to make teaching the first choice of profession and thereby to develop relevant policies and/or recommendations related to improving educational quality through teaching performance. Presenting at the Forum are SEAMEO RETRAC’s Governing Board Members from the Southeast Asia, and SEAMEO Secretariat, including representatives from the Ministries of Education of Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Philippines, Singapore, and Vietnam. Participating in the Forum also included more than 40 educators, researchers, academic staff and lecturers from different departments of education and training, universities and colleges in Vietnam.

# Upcoming Events

## Training Course on “Internal Quality Assurance for Higher Education Institutions in Vietnam”

Under the funding from the International Network for Quality Assurance Agencies in Higher Education (INQAAHE), SEAMEO RETRAC will conduct a five day training course on “Internal Quality Assurance for Higher Education Institutions in Vietnam” on October 29 – November 2, 2018 at the Center. The course is aimed at improving and enhancing the competence of participants, who are departmental leaders, coordinators and senior officers responsible for quality assurance at Vietnamese higher education institutions. The training project includes three phases, including face to face training, online coaching and survey on the impacts of training on the beneficiaries’ performance on internal quality assurance at their institutions.

## National Orientation Workshop on “ECCE Teacher Competency Framework in Southeast Asia”

Under the funding from UNESCO-Bangkok and as selected as an Implementing Agency of the pilot of the national adaptation of Early Childhood Care and Education (ECCE) Teacher Competency Framework for Southeast Asia, SEAMEO RETRAC will convene a national orientation workshop on “ECCE Teacher Competency Framework in Southeast Asia” tentatively November 8, 2018. The aims of the workshop are to identify adaptation options at the different levels/users, to adapt and contextualize the sub-regional framework into the Vietnamese context. Participating in the workshop are representatives from the Ministry of Education and Training, departments of education and training, and selected ECCE schools in Vietnam.

## Training Course on “Research Paper Writing Skills”

SEAMEO RETRAC, in collaboration with the Institute for Water Education auspices under the UNESCO (IHE DELFT-The Netherland), will convene a two day training workshop on “Scientific research paper writing for higher education academics” on November 29-30, 2018. The aim of the workshop is to help teaching and academic staff of Vietnamese higher education institutions enhance their competence in developing a scientific research paper for publish purposes through equipping them with knowledge and skills in paper writing. Participants of the workshop include teaching staff, professionals and academic staff of different higher education institutions in South of Vietnam.
