Training Workshop on " Information and Communication Technology (ICT) Application in Teaching and Academic Management "

From March 28th to 30th, SEAMEO RETRAC in collaboration with Japan's Ministry of Education, Culture, Sports, Science and Technology (MEXT) organized the training workshop on "ICT application in Teaching and

Academic Management" at its premises. The training was facilitated by Dr. Kazuo Nagata and Dr. Yasuhito Inoue from National Institute of Technology in Japan on the annual expert dispatch program supported by MEXT. The workshop was centered on academic management and teaching by employing and applying ICT. The workshop involved the participation of 32 lecturers and staff from colleges and universities in Ho Chi Minh City and other provinces in Southern Vietnam.

Recent Events

Training Workshop on Information and Communication Technology (ICT) Application in Gamification for Creative Teaching.

Backed by popular demand, SEAMEO RETRAC held a two-day ICT training workshop to offer all educators a chance to build their skills in ICT Applications in Gamification for Creative Teaching. The workshop was joined by 17 lecturers and managers from colleges and universities to explore applications and tools, to develop their own skills. The workshop was held from January 25th to 26th, 2018. During the two day training workshop, participants familiarized themselves with contents and tools in ICT application in gamification for creative teaching. Additionally, participants had the opportunity to exchange their experiences with regards to ICT application in teaching and management.

Seminar on Integrating 21st Century Leadership Hallmarks in Pursuit of Organizational Change in Higher Education

A seminar on Integrating 21st Century Leadership Hallmarks in Pursuit of Organizational Change In Higher Education took place on March 26th at SEAMEO RETRAC. There were 75 participants who were leaders, administrators, managers from institutions in Vietnam attending the seminar from various universities and colleges in Ho Chi Minh city and surrounding provinces. The workshop aimed at providing best practices and solutions to integrating 21st century leadership hallmarks in pursuit of organizational change in higher education. The workshop was facilitated Mr. Wayne Lee-Ying from College of the Rockies in Canada.
