INCLUSIVE EDUCATION DEVELOPMENT IN LAO PDR

Lao PDR is continuing to strive toward ensuring inclusive and equitable quality education for its citizens. This paper discusses the development of inclusive education in Laos, particularly its achievements, challenges and opportunities. It describes the ongoing work of the Inclusive Education Promotion Center (IEPC) in providing leadership in navigating the issues affecting inclusive education in Laos' context. Recommendations are made for educational leadership and management approaches to be used to improve inclusive and equitable quality education in Laos and applied in SEAMEO member countries."
